

FELT FOX MASK – INSTRUCTIONS

Materials Needed:

Brown or Grey Felt

Red felt

Black felt

Sewing Cotton or Felt Glue

Thin Elastic

Method:

Cut the pieces out in the colours to match the coloured diagram

Sew or glue the red nose piece on top of the main eye piece

Sew or glue the small ear pieces on top of the red nose piece as per the diagram

Sew or glue the Black nose in place

Cut some small thin strips of black felt as whiskers and sew or glue into place

Measure a piece of elastic to fit the head and sew in position so that the elastic rests on the child's ears in line with the mask's eyes
