

Hi, I'm Leah and our family isn't like any other family in the world because we are monsters.

"What do you mean by monsters?" I hear you ask. Does that mean we are sloppy and untidy? Well, no. We are monsters.

M-O-N-S-T-E-R-S

We eat bugs and live in a haunted castle. Now that you know that we are monsters let me introduce my family.

Firstly, there is my Mum; you know,
that fairy Witch that lives under
your bed and steals all your books?
Well - that's my Mum.

Next, there's my older sister, Billie.
She is a ghost because when she
was little a tractor fell on top of
her - so now she's a ghost.

Then we've got my Uncle Allen!
He is Dracula's brother; an evil
vampire who ate my cat!
Told you he was evil.

Plus, there is my Aunty Caroline.
Now she is the Wicked Witch of
the West; that lady or Witch from
the Wizard of Oz.

Oh, by the way; did you know
that water doesn't kill witches!

I also have
two cousins.
Eleanor a
'Mummy' and
Kelly-Ann is a
Zombie.
They dress
very punkish.

There is also my Grandma. She is the tooth fairy and collects all those baby teeth you lose.

And finally there is my Granddad. He is a wizard, makes potions and wears a big, blue pointy hat with stars on it.

This is MY family.

We may be different but we love each other and that's all we need to be a family.
